Displayed Versions:

☒ wc07 ☒ bet+ ☒ wc12

The comparison graph is the ratio of the rate versions versus the currently selected rate.

Display Legend: ☐ Side or ☒ Inline

To plot a list of points to the graph, use this form.  
 Uploaded files should be in a simple "T<sub>9</sub>,rate"  
 format, with one point per line.

Plot Points:  No file chosen
